

# PRO 9584E3B – 8MP 2,8 mm HD veido atpažinimo realaus laiko bokšto IP kamera su įmontuotu garso įrenginiu

|                               |                                                                          |
|-------------------------------|--------------------------------------------------------------------------|
| Audio Inputs                  | 1CH audio input ; 1CH built-in MIC                                       |
| BLC                           | Yes                                                                      |
| BLC/SSDR (WDR)                | 120dB                                                                    |
| DNR                           | 3D DNR                                                                   |
| Dimensions                    | Ø 94.6 × 82.8                                                            |
| IR Illumination               | 20~30m                                                                   |
| Image Quality                 | 3840×2160                                                                |
| Image Sensor (CCD)            | 1 / 2.8" CMOS                                                            |
| Lens                          | 2.8mm@F1.6, Horizontal FoV:109.7°;Vertical FoV:77.2°;Diagonal FoV:116.9° |
| Minimum Illumination – Colour | 0.01 lux                                                                 |
| Minimum Illumination – Mono   | 0 lux with IR                                                            |
| Operating Temperature         | 30 °C ~ 60 °C                                                            |
| POE                           | Yes (IEEE802.3af)                                                        |
| Power                         | DC12V/PoE                                                                |

|                          |                                          |
|--------------------------|------------------------------------------|
| Power Consumption        | < 9W                                     |
| Resolution (Best)        | 8MP ( 3840 × 2160 ),                     |
| Shutter                  | 1 s ~ 1 / 100000 s                       |
| Storage Media & Capacity | Built-in micro SD card slot; up to 256GB |
| Weight(Cameras)          | Approx. 0.46KG                           |
